We may be bigger than you thought?

Legacy Manufacturing is a young, resourceful company solidly rooted in almost 100 years of experience, innovation and advanced technology dedicated to providing superior sealing systems for architectural openings. Our engineered parts and systems offer proven solutions to the wide range of security and life safety challenges the building team faces to ensure reliable performance in those openings. And we offer an unequalled range of product features and options for maximum specification flexibility.

We are uniquely equipped to respond promptly to specific architect or owner requirements and provide documented design solutions for your approval. Our turnaround on customized Legacy solutions is setting new standards for the industry— depending on those requirements, specification to shipment can take as little as two days.

Legacy's comprehensive offering of parts and integrated systems reflects a long tradition of expertise and responsiveness in problem-solving for the door and hardware industry. Above all, we place a premium on providing the expert support you expect and need. From answering basic product and installation questions to the most complex customization requirements, our friendly, highly-trained customer service team is standing by and ready to help.
